STUDYING at NKUA

Course information	The up-to-date online course catalogue is available approximately two months before the beginning of each semester. To get an idea of courses offered, students should consult the catalogue of previous years and faculty websites. Erasmus+ students should choose courses mainly from their registration Department. In addition, they can choose a few courses (1-2) from the other Departments of NKUA with the approval of both Coordinators (home and host).
On line course catalogue:	Most courses are conducted in Greek. In various Departments courses are also offered in English (and/or in other languages): http://en.interel.uoa.gr/study-programs-offered-by-the-nkua.html

	In Departments that courses are conducted only or mainly in Greek there are special arrangements for Erasmus+ students. The most common one is the assignment of essays in English with the use of English bibliography. A significant number of postgraduate courses are offered in English and some in other languages (French, German, Spanish, Italian).
Special courses offered free of charge to all incoming students of any field of studies:	Contemporary Greece: History, Arts and Letters http://en.interel.uoa.gr/erasmus/erasmus-student-mobility/selection-of-courses.html This course offers an introduction to Greek history and culture, since the creation of the Modern Greek State.
Language Requirements	Nominated students <u>should meet our language requirements</u> (minimum requirement in Greek or in English language: Level B2) as defined in the bilateral agreements. Students that will participate in the postgraduate courses <u>will comply with the required language level of the specific postgraduate course.</u>
Grading system	The Greek University grading system runs from 0 to 10 and it has the following ranges: Passing grades are from 5 to 10: Excellent: 8.50 - 10.00 Very good: 6.5 - 8.49 Good: 5.00 - 6.49
Orientation Day	It is strongly suggested that all incoming students should participate in the Orientation Day organized by the Department of European and International Relations at the beginning of each semester (September and February) (http://en.interel.uoa.gr/erasmus/erasmus-student-mobility/orientation-day.html).

GENERAL INFORMATION

VISA PROCESS

Incoming students who are coming from non-EU countries or need to apply for visa due to their citizenship, have to take the necessary steps prior to their arrival in Greece. Information on students of which citizenship need a VISA in order to come to Greece can be found at the website of the Ministry of Foreign Affairs: <http://www.mfa.gr/en/visas/visas-for-foreigners-traveling-to-greece/countries-requiring-or-not-requiring-visa.html>

Please advise your students to be informed about the required documents from the relevant Greek Consulate in time.

RESIDENCE PERMIT	
Students from Non-EU countries who will stay for a period longer than 3 months, as soon as they arrive in Athens have to apply for a residence permit at the competent Aliens and Immigration Department (http://en.interel.uoa.gr/erasmus/erasmus-student-mobility/visa-and-residence-permit.html). Please advise your students to be informed about the necessity of a Residence Permit from the relevant Greek Consulate.	
STUDENTS WITH SPECIAL NEEDS	
Students should inform us about their special needs: erasmus@uoa.gr Services available: http://access.uoa.gr	

HOUSING
Due to the fact that there is no availability of rooms at the Student Residences, students are responsible for securing their accommodation at private rooms/apartments. In an effort to assist the incoming students to find private accommodation, the Erasmus Students' Organization of NKUA, <i>ESNKAPA Athens</i>, give access to a list of persons who rent apartments or rooms to students, upon request (Accommodation Facebook group: https://www.facebook.com/groups/313962265301086/). Students are advised to start searching for accommodation as early as possible and to check all information at http://en.interel.uoa.gr/erasmus/erasmus-student-mobility/accommodation.html
