Semester 1 only students

Around 350 rooms are available and are shared between inbound and outbound students, creating a truly international atmosphere.

Accommodation in the Study Abroad Village is not guaranteed and rooms are allocated on a first-come-first-serve basis. Students staying for Semester 1 only should note that the contract and cost for the University halls of residence will cover the whole semester, even if the student returns home before the end of January.

Full year students/Semester 2 Students:

Students staying for a full year or Semester 2 only will be guaranteed accommodation in University Residences. Full Year students may apply for a room in any of our Halls of Residence. Semester 2 only students will be allocated an available on-campus room (where possible this will be in the Study Abroad Village).

Finance

Living expenses in Liverpool are low compared to many other UK cities. Students are advised to budget between £6,000 and £7,000 to live in Liverpool for a year. This includes accommodation, food and local travel.

Students with disabilities

The Global Opportunities Team and Disability Advice and Guidance (DAG) work closely together to make sure that students with a disability, specific learning difficulty or long term health condition are supported within their academic studies. Please declare your disability, specific learning difficulty or long term health condition on your application form so that the University can help you get a support plan in place before your arrival.

Please visit the DAG website for more information:

<http://www.liv.ac.uk/studentsupport/disability/index.htm>

Travel Insurance

Students are expected to arrange their Travel Insurance and Health insurance in their own country. EU students must bring a valid European Health Insurance Card with them.

Students studying for more than 6 months will pay an NHS surcharge in order to access healthcare in the UK.

Buddy Scheme

The Global Opportunities Team organise a “Buddy Scheme” to help students to integrate to the University community. Students can opt into the scheme via our application form.
