## Nominating student(s) to UNIS (Svalbard)

1. **Students must apply directly to UNIS**  
UNIS has its own application system and deadlines, so students must submit their application to UNIS first.
2. **Nominate your student(s) to UiT**  
Follow the steps outlined in the “**Nomination procedures for partner institutions**” above.
3. **Students complete the UiT application**  
After nomination, UiT will email students with access to the **Application Web (Søknadsweb)**, where they upload their **passport** and **transcript of records**.

For full guidelines, please visit: [!\[\]\(4729e517bc6a7cd81c8025b9646574fb\_img.jpg\) Exchange at the University Centre in Svalbard \(UNIS\)](#)

## Application procedures for exchange students

### Exchange for studies

To apply for an exchange programme at **UiT The Arctic University of Norway**, you must complete the following steps:

1. **Be nominated by your home university** under a valid exchange agreement.
2. **Meet the [basic eligibility requirements](#)** for exchange studies at UiT.
3. **Receive an invitation email from UiT** with instructions on how to apply.
4. **Submit your application** through the [Application Web \(Søknadsweb\)](#).
5. **Upload all required documents** as part of your application.

### Exchange for traineeships (Non-Medical/Health Sciences)

There are **two pathways** for students applying for traineeships:

1. **Nomination under a valid agreement**  
If your home university nominates you through the **Nomination Web**, you must follow the same steps described in the section “**Exchange for studies.**”
2. **Students from Erasmus+ institutions without a valid agreement**  
If your institution holds an **Erasmus Charter for Higher Education (ECHE)** but does not have a traineeship agreement with UiT, you must apply through this website: [!\[\]\(d27edc55493507da2f9b8c7a52b3b96f\_img.jpg\) Erasmus+ Guest Traineeships at UiT](#)

### Exchange for traineeships in Medical and Health Care Sciences

Separate **application procedures** and **deadlines** apply for traineeships in the following fields:

- Nursing
- Midwifery
- Occupational Therapy
- Paramedics
- Physiotherapy
- Social Education (Vernepleie)
- Clinical Medicine

For detailed information about the deadlines, please visit: [!\[\]\(7d1d6890825e83a6a4a51febe2dcc7f3\_img.jpg\) Traineeship / Practical Placements in Medical and Health Care Sciences](#)

## Practical information

|                                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
