| RE-TAKE EXAMS                | 6 <sup>th</sup> - 28 <sup>th</sup> June 2022                                                                                                                                            |

## GRADING SYSTEM

| % of successful students normally achieving the grade | Grades ECTS | UPVD Grading | Meaning                                                                       |
|-------------------------------------------------------|-------------|--------------|-------------------------------------------------------------------------------|
| 10%                                                   | A           | 18-20        | Excellent - outstanding performance with only minor errors                    |
| 25%                                                   | B           | 16-17,9      | Very Good - above the average standard but with some errors                   |
| 30%                                                   | C           | 14-15,9      | Good - generally sound work with a number of notable errors                   |
| 25%                                                   | D           | 12-13,9      | Satisfactory - fair but significant shortcomings                              |
| 10%                                                   | E           | 10-11,9      | Passing - performance meets the minimum criteria                              |
| Fail                                                  | FX          | 08-09,9      | Fail - some more work is required before the credit can be awarded            |
| Fail                                                  | F           | 00-07,9      | Fail - considerable further work is required before the credit can be awarded |
